

# Tech Savvy Individual Registration Form (Register online or complete this form and return by mail.)

## Student Information (6<sup>th</sup> – 9<sup>th</sup> grade girls) *Please print*

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

Email Address (where confirmation will be sent): \_\_\_\_\_

Street Address: \_\_\_\_\_

Street Address Line 2: \_\_\_\_\_

City, State, Zip Code: \_\_\_\_\_

School Name: \_\_\_\_\_

Grade:  6  7  8  9

Food or Other Allergies: \_\_\_\_\_

T-Shirt Size (adult sizes):  XS  S  M  L  XL  XXL

### Student Race/Ethnicity (optional):

- African American/Black  Caucasian/White  Multiracial/Multiethnic  
 Asian  Indigenous: Alaskan, American Indian  
 Hawaiian/Pacific Islander  Latina/Hispanic  Other \_\_\_\_\_

### Student Disability Status (choose all that apply)

- Hearing Impaired  Visual Impairment  Mobility/Orthopedic Impairment  None  
 Other \_\_\_\_\_

### Parent or Guardian 1 Information

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

Phone Number(s): \_\_\_\_\_

Relationship to Student: \_\_\_\_\_

Attending Adult Program?  YES  NO (Fee: \$10.00 for each adult attending the program.)

### Disability Status of Parent or Guardian 1 if attending the adult program (choose all that apply)

- Hearing Impaired  Visual Impairment  Mobility/Orthopedic Impairment  None  
 Other \_\_\_\_\_

### Parent or Guardian 2 Information (optional)

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

Phone Number(s) \_\_\_\_\_

Relationship to Student: \_\_\_\_\_

Attending Adult Program?  YES  NO (Fee: \$10.00 for each adult attending the program.)

### Disability Status of Parent or Guardian 2 if attending the adult program (choose all that apply)

- Hearing Impaired  Visual Impairment  Mobility/Orthopedic Impairment  None  
 Other \_\_\_\_\_

### Emergency Contact Information (Different from Parent 1 or 2 above)

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

Relationship to Student: \_\_\_\_\_ Phone Number(s): \_\_\_\_\_

AAUW may use photographs or video coverage taken during the event. I give permission for photographs or video from Tech Savvy containing my image or my student's image to be used in media, future advertising, on websites or print materials. I grant to AAUW, it's officers, agents, employees, assigns and licensees ("AAUW"), permission to use photographs, audio and/or video recordings of me/student, along with name (first and last initial), in AAUW and its state or branch publications, on AAUW social media sites, on the AAUW website, or any other use AAUW deems appropriate. I hereby waive any right to inspect or to approve audio, video or print materials that may be used in conjunction with these efforts.\*

**Workshop Descriptions for 6<sup>th</sup> – 9<sup>th</sup> grade girls. Directions: SELECT (3) WORKSHOPS**

- #1 – Heal the World – Healing the world through interactive environmental health and safety approaches for today’s youth ... tomorrow’s leaders.
- #2 – Navigating in 3D Through the Immersive Environment of the Planetarium - Come learn a little about computer programming as you fly around the planets and moons in our solar system. Learn how a single line of computer code can give different users a completely unique experience.
- #3 – Monograms – Students plot points on a coordinate grid on the back of duck-tape paper.
- #4 – Watch Out!!! It’s Drone Zone!!! – You’ve heard the acronym SUV and know it well. Now, let’s add the term UAV to your knowledge bank. UAV is an unmanned aerial vehicle that comes in all shapes, sizes, and functionalities are used in a variety of professions. In this hands-on session, students will learn the basics of drones and how they are used.
- #5 – Girl Code – Let It Code! Let It Code! Let It Code! Don’t be *frozen*, computer programming can fix it.
- #6 - Don’t be Grounded! Come Fly with Us! – Fly without leaving the ground by taking the controls in a simulator and learn about lots of careers in aviation!
- #7 – Digital Audio: The Art and Science of Sound Recording – In this session, participants will be introduced to instrument frequencies, microphones, and the process of recording music in a professional studio.
- #8 – Girl Force! Finding Our Real Calling in Engineering – Want to make something? Explore the world of Engineering and be prepared to have lots of “let’s figure it out” fun!
- #9 – Pharmacists for a Day: Prescriptions for Success – This workshop will expose students to various areas of pharmacy from dispensing of medications, compounding, and counseling of patients. Students will learn the importance of applying math and science to care for their patients.
- #10 – Turn up the Juju on that Knee – Participants will learn about muscle re-education after injuries. Movements will be performed to prevent common knee injuries in young girls.
- #11 – Crime Scene Investigation – Do you like watching CSI or Elementary on TV? Did you know investigators use lots of science and math to solve crime? Come join Dr. Brett as she puts your detective skills to the test.
- #12 – Staying Alive with Hands only CPR – Using your hands to the beat of this music can save a life!
- #13 – Evolution of Music and Technology – This workshop will feature a tour of GRAMMY Museum® Mississippi’s *Mono to Surround* exhibit plus a hands-on activity to give students the opportunity to further discover how technology manipulates the way we listen to and play music.

**IMPORTANT: If a workshop you selected is full, what is your second choice #\_\_\_\_\_ and third choice #\_\_\_\_\_.**
