Relationship to Student: \_\_\_\_\_ Phone Number(s): \_\_\_\_\_  
Address: \_\_\_\_\_ City, State, Zip Code: \_\_\_\_\_

AAUW may use photographs or video coverage taken during the event. I give permission for photographs or video from Tech Savvy containing my image or my student's image to be used in media, future advertising, on websites or print materials. I grant to AAUW, it's officers, agents, employees, assigns and licensees ("AAUW"), permission to use photographs, audio and/or video recordings of me/student, along with name (first and last initial), in AAUW and its state or branch publications, on AAUW social media sites, on the AAUW website, or any other use AAUW deems appropriate. I hereby waive any right to inspect or to approve audio, video or print materials that may be used in conjunction with these efforts. \*

\_\_\_\_\_  
*By signing this line, you agree to the aforementioned terms*

**Workshop Description for 6<sup>th</sup> – 9<sup>th</sup> grade girls. Directions:** USING THE NUMBERS (1-5, 1 being the most desired) PLEASE SELECT 5 WORKSHOPS. KEEP IN MIND, YOU WILL ONLY BE REGISTERED FOR 3.

- \_\_\_ **#1 - Let's Quick Math!** Add-it-UP! Add-it-UP! Break-it down! Break it down! Show Your Work!
- \_\_\_ **#2 - Weave the Rainbow!** The Rainbow Bracelet Experiment: Girls will learn the art of integrating hair coloring with bracelet weaving.
- \_\_\_ **#3 - From Middle School to Medical School!** It's never too late to determine where your interest lies, using stethoscopes.
- \_\_\_ **#4 - Watch Out!!! It's Drone Zone!!!** You've heard the acronym SUV and know it well. Now, let's add the term UAV to your knowledge bank. UAV is an unmanned aerial vehicle that comes in all shapes, sizes and functionalities and are used in a variety of professions. In this hands-on session, students will learn the basics of drones and how they are used.
- \_\_\_ **#5 - Girl Code!** Let it Code! Let it Code! Let it Code! Don't be frozen, computer programming can fix it.
- \_\_\_ **#6 - Don't Be Grounded! Come Fly with Us!** Fly without leaving the ground by taking the controls in a simulator and learning about lots of careers in aviation!
- \_\_\_ **#7 - Digital Audio: The Art and Science of Sound Recording!** In this session, participants will be introduced to instrument frequencies, microphones, and the process of recording music in a professional studio.
- \_\_\_ **#8 - Girl Force! Finding Our Real Calling in Engineering!** Marshmallow Challenge: The participants will use team building and communication skills to achieve the common goal of the team.
- \_\_\_ **#9 - Open W-I-D-E!** What are some preventive ways to avoid cavities and periodontal (gum) disease?
- \_\_\_ **#10 - Evolution of Music and Technology!** This workshop will feature a tour of GRAMMY Museum® Mississippi's Mono to Surround exhibit plus a hands-on activity to give students the opportunity to further discover how technology manipulates the way we listen to and play music.
- \_\_\_ **#11 - TechGeek 2.0!** Who would have thought there was an app for that!!!! Learn more about technology in this fast-paced technology workshop.
- \_\_\_ **#12 - Creating Interactive Websites!** Want to show your family just how "awesome" you are??? Let's build a website!!!

*The registration fee is \$10.00 for each student and \$5.00 per adult that attends Tech Savvy.*
